

CWIND PHANTOM

27M Phantom

OVERVIEW

The CWind Phantom is the latest addition to the company's fleet. At nearly 30m, the Catamaran, whilst still extremely manoeuvrable for a vessel of her size, is suitable for longer stretches of work at wind farms located further from shore.

KEY CAPABILITIES

Year built	2015		
Class	BV Hull Mach "WFSS" - S1' Sea Area 2		
Draft	Aluminium		
Passengers	12	Crew	3

DIMENSIONS
